

SSCC PRACTICE™

~ **STEADY**

What is happening in me?

Slow down • lower voice • breathe

👁 **SCAN**

What do I observe, not assume?

Context • triggers • needs • strengths

∞ **CONNECT**

Preserve dignity + hold the boundary

Name • ask • state • offer

✓ **CLOSE**

What must be clear before we separate?

Outcome • repair • next step • follow-through

EVERY INTERACTION IS AN
INTERVENTION.

Every intervention is an
OPPORTUNITY.

Every opportunity begins with
CONNECTION.

Connection complements—not replaces—
policy, accountability, emergency response,
required reporting, and professional judgment.
Use within your role, training, and site procedures.
