What do I observe,
not assume?

Context • Triggers •
Needs • Strengths

CONNECT

Preserve dignity +
hold the boundary

Name • Ask • State • Offer

CLOSE

What must be clear
before we separate?

Outcome • Repair • Next steps
• Follow-through

EVERY INTERACTION IS AN
INTERVENTION.

Every intervention is an
OPPORTUNITY.

Every opportunity begins with
CONNECTION.

The SSCC Practice TM complements—not replaces—policy, accountability, emergency response, required reporting, and professional judgment.

Use within your role, training, and site procedures.
